Aleph Class : Mrs Singer

How wonderful it was to see familiar faces at our Rosh Hashanah children's program. I do hope you and your family, will join us again for Yom Kippur.

This week we learnt about Yom Kippur, and its mitzvot.

We learnt three more Hebrew letters: Gimmel, Daled, and Hay. This class really knows their stuff! By the time class is done, I have another empty bag of sour sticks,

for all the correct answers. Keep it up!

Bet Class : Morah Rechama

The Aleph class has been busy learning about the upcoming festival of Yom Kippur. We learnt that on Yom Kippur our fate for the upcoming year is sealed, and so we say sorry to our family and friends for any wrong doing that were done.

On Yom Kippur we read about the story of Yonah and the whale. We

Alph Bet Communicates

had a lot of fun hosting our own talk show and interviewing the characters of the story of Yonah!

Gimmel Class : Morah Dassie

Hope you all had a nice Rosh Hashanah. We began our day by sharing what we did for Rosh Hashanah, and moved forward to learning about

Yom Kippur.

We talked about the theme of the day FORGIVENESS, and what that means to us. We learnt that there are three

"keys" to help us attain a fresh start in our new year. They are Teshuva, Tzedakah, and prayer.

Daled Class : Morah Mushka

With Yom Kippur approaching the Daled class focused on learning all about this most important day. One day a year Jews from every place and background, gather together for a day of fasting and prayer; ten days after the start of the new year. On this day we pray that our year be sealed for good.

Hey Class : Rabbi Prus

This week we learnt about the holiest day of the Jewish calendar, Yom Kippur. On this day every Neshamah (Jewish soul) connects to its source, and is forgiven of all the not such good deeds they did over the past year.

We discussed the special Mitzvot for this day, especially the Mitzva to fast the whole Yom kippur. Shanah Tova.
