### **Aleph Class : Morah Rechama**

The Aleph class has been busy learning about the upcoming festivals of Yom Kippur and Sukkot.

We learnt that on Yom Kippur our fate for the upcoming year is sealed, and so we say sorry to our family and friends for any wrong doings that were done.

On Yom Kippur we read about the story of Yonah and the whale. We had a lot of fun acting out the story in our big boat.

We also had fun creating our own edible sukkah. We discussed how to make a Kosher sukkah. I Hope to see you all by the Yom Kippur children's program. Please remember to send Tzedokah (charity) with your child to Hebrew School.

### **Bet Class: Morah Mushka**

This week we learnt all about the holidays of Yom Kippur and Sukkot. We discussed the importance of forgiveness and respect toward one another.

We also talked about the hut – a sukkah - that Jews eat in for the week of Sukkot. We learnt the four species that we gather together, symbolizing the unity of the Jewish people: The luvav, etrog , had-dassim and aravot.

May you be sealed in the book of life, and have an enjoyable Sukkot.

### **Gimmel Class: Mrs. Singer**

"We began our day by sharing what we did for Rosh Hashanah, and moved forward to learning about Yom Kippur.

We talked about the theme of the day FORGIVENESS, and what that means to us. We learnt that there are three "keys" to help us attain a fresh start in our new year. They are Teshuva, Tzedakah, and prayer."

This week we learnt about the mitzvot of Yom Kippur. We began our davening - praying, from our very own siddur. Do you recall the Hebrew letters we've learnt so far?

**Daled Class: Morah**

### **Chevie**

I have really enjoyed getting to know everyone so far, and I am really looking forward to our year together!

With all the holidays coming and so little time, the focus this week was to learn and experience as much as we can about Yom Kippur and Sukkot! Be sure to check out our High Holiday dictionary's, that we created to remember all that we learnt!

### **Hey Class: Morah Mushkie**

This Sunday, class Hey learnt about Yom Kippur, the holiest day of the year! We discussed how to prepare for such a holy day, and how we celebrate it. Ask your child about the story of Cock-a-doodle-doo - a story that is about a young boy who went to synagogue on Yom Kippur.

We also learnt about the holiday coming up right after Yom Kippur, Sukkot! There are many special mitzvot we do on sukkot, including eating in a sukkah, and so we made delicious edible sukkot!! Now we are all ready to celebrate the next two holidays!

### **Vav & Zayin Class: Morah Dassie & Morah Chaya**

### **Zayin Class: Morah Rosie**

What a wonderful day! Today we learnt all about the upcoming Holidays - Yom Kippur and Sukkot. We found out why we call Yom Kippur a holiday, even though the adults are all fasting and it's such a serious day. We discussed the special things we can do to feel the holiness of the day.

We then acted out the story of Yonah which is read on Yom Kippur. Then we went to the next holiday - Sukkot This holiday is a time of joy, and we celebrate it in many exciting ways. We explored the different Mitzvot we do on this holiday: How to build a kosher sukkah, eating in a sukkah and shaking the lulov and esrog. We ended our wonderful day learning about the very last holiday of the season, Simchat Torah - Rejoicing with the Torah! Can't wait to see you all next time!

### **Ches Class: Rabbi Prus**

This week we learnt about the holiest day of the Jewish calendar, Yom Kippur. On this day every Neshamah (Jewish soul) connects to its source, and is forgiven of all the not such good deeds they did over the past year.

We discussed the special Mitzvot for this day, especially the Mitzva to fast the whole Yom Kippur. Shanah Tova.
