Alpeh Bet Communicates

Alpeh Class : Mrs Singer

Now that our month long celebration of holidays has ended, it is time to continue our Aleph Bet practice. Start reviewing your ring of letters, as we hang the letters around the classroom. You know the names and sounds of many letters already!

We began our study of the second book of the Torah, Shemot, the story of our teacher - Moses. This week we learnt about our Jewish family tree, and how the Jews became enslaved in Egypt.

Keep doing those mitzvot for others! Have your parents fill out your leaves, so we can add them to our class mitzvah tree. Need some leaves? Check the website, until the next time you come to class.

Bet Class: Morah Rechama

After the holidays we were very glad to get back into the learning

mode.

We learnt all about our Jewish names, and how important it is to have one! We are going to make an effort to use our Hebrew names from now on when we are in Aleph-Bet.

Welcome to our syllabus The Jewish Home!

This week we started with a grand entrance to the Jewish Home - the Mezuzah.

Throughout the year we will be learning, cutting, pasting and having lots of fun as we go from room to room of our home!

Gimmel Class: Morah Dassie

This year your child will be studying a course entitled, "TORAHpedia - Mitzvot are for Action!" It is an 'encyclopedia' consisting of 22 mitzvot - in aleph bet order - with a special focus on personalizing the mitzvot's message. Your child received to-

day an oversized activity book in which the lessons will be reinforced through creative writing, drawing exercises and activities. Our lessons are full of creative

methods in which the students will experience what they're learning, using many of their senses.

This week we began with Ahavat Yisroel, how to exhibit love towards our fellow - despite our differences. Some of the questions we discussed today are -

How we can be commanded to love someone? And what is the difference between body and soul?

We did this by means of songs, drama, and visual aids.

Have a good week!

Daled Class: Morah Mushkie

What a wonderful day! After davening

(praying) We started our Torah Heroes project. We started with the introduction as to why the Torah is so dear to us, and the purpose of the Torah. We then went through what Hashem created on each day of creation ending with the first human beings - Adam and Eve. We divided up into groups to create a three dimension of the creation. Can't wait until next week!

Hey Class : Rabbi Prus

Now that the holidays have ended we began our Lifecycles curriculum.

We will be learning about important events throughout our lives, and the Mitzvot that we perform such as Brit, Bar/Bat Mitzvah and a Jewish wedding.

Today we started to learn about birth, and the specialty of a Neshamah (Jewish Soul).
