Aleph Class : Morah Rechama

The Aleph class was busy learning about their Jewish names this week. We are all proud of our Jewish names, and are going to be called by our Jewish names in Aleph Bet.

The children have started to learn to write our Jewish name in Hebrew. Please practice at home with your child. We wrote our name in sugar, and twizzlers.

We have also started to learn the Aleph Bet. Each week we sing the Aleph Bet song, and over the year we will learn some of the letters.

We began to discuss the creation of the world, which we will continue next week. Have a great week!

Bet Class: Morah Mushka

This week we started our new curriculum on the book of Exodus. We recalled our forefathers Abraham, Isaac and Jacob, and their families. We learnt why they made their way

to Egypt, and how King Pharaoh was hospitable at first, but then turned them into slaves.

Gimmel Class: Mrs. Singer

Now that our month long celebration of holidays has ended, it is time to continue our Aleph Bet practice. Start reviewing your ring of letters, as we hang the letters around the classroom. You know the names and sounds of many letters already!

We began our study of the second book of the Torah, Shemot, the story of our teacher - Moses. This week we learnt about our Jewish family tree, and how the Jews became enslaved in Egypt.

Keep doing those mitzvot for others! Have your parents fill out your leaves, so we can add them to our class mitzvah tree. Need some leaves? Check the website, until the next time you come to class.

Daled Class: Morah Chevie

We are now beginning to enter our homes, and learn about how each room has a mitzvah that we can do.

“What a wonderful day!..We started our Torah Heroes project. We started with the introduction as to why the Torah is so dear to us, and the purpose of the Torah. We then went through what Hashem created on each day of creation ending with the first human beings - Adam and Eve. We divided up into groups to create a three dimension of the creation.”

This week we started with the entrance - that's right you can do a mitzvah by just walking in the door! The Mezuzah is there, day and night, always there protect us. Stay tuned the next room is the

kitchen! Got any Kosher symbols? Bring some in!

Hey Class: Morah Mushkie

This week we began learning about the Jewish Home. Throughout the year we are going to learn all about a Jewish home and how special it is. We each received a scrapbook and today we worked on making the cover and on our first 2 pages! We with the entrance of a Jewish home. On our front door we put a mezuzah. The mezuzah contains the prayer of Shema. It is to guard and protect us and our home. We learnt that whenever we enter or exit a door with a mezuzah on it we should kiss it.

Vav & Zayin Class: Morah Dassie and Morah Chaya

This year your child will be studying a course entitled, "TORAHpedia - Mitzvot are for Action!" It is an 'encyclopedia' consisting of 22 mitzvot - in aleph bet order - with a special focus on personalizing the mitzvot's message. Your child received today an oversized activity book in which the lessons will be reinforced through creative writing, drawing exercises and activities. Our lessons are full of creative methods in which the students will experience what they're learning, using many of their

senses.

This week we began with Ahavat Yisroel, how to exhibit love towards our fellow - despite our differences. Some of the questions we discussed today are - How we can be commanded to love someone? And what is the difference between body and soul? We did this by means of songs, drama, and visual aids. Have a good week!

Ches Class: Morah Rosie

What a wonderful day! After davening (praying) We started our Torah Heroes project. We started with the introduction as to why the Torah is so dear to us, and the purpose of the Torah. We then went through what Hashem created on each day of creation ending with the first human beings - Adam and Eve. We divided up into groups to create a three dimension of the creation. Can't wait until next week!

Tet Class: Rabbi Prus

Now that the holidays have ended we began our Lifecycles curriculum.

We will be learning about important events throughout our lives, and the Mitzvot that we perform such as Brit, Bar/Bat Mitzvah and a Jewish wedding.

Today we started to learn about birth, and the specialty of a Neshamah (Jewish Soul).
