Alpeh Bet Communicates

Alpeh Class : Mrs Singer

We are getting to know our Jewish forefathers and foremothers better and better. This week we continued with the story of Moshe and the Jewish nation; as the plagues begin, blood in the Nile river and frogs everywhere! How did Moshe do it? All with the help of Hashem, G-d.

We are also becoming experts with our Aleph Bet letters from Aleph through Chet. We can read them, and tell each other the sounds these letters make. We remember them, and know them so well that Mrs Singer is running out of sour sticks !

Bet Class: Morah Rechama

All the animals that I eat must..." Ask your child about all the signs of kosher animals. Of course we made sure to scrapbook them, so we can always refer back to it! We can't wait until next class, where we continue on in our scrapbook of our Jewish home!

Gimmel Class: Morah Dassie

This week we began the unit, Jewish Birthday, the time of the arrival of the soul into the body.

What is a Jewish Birthday? We discussed the Jewish way of celebrating this special day, and looked up in a Jewish calendar the Hebrew date on which we were born.

Daled Class: Morah Mushkie

What a great day we had! Today we learnt about the Jewish heroes Avraham and Sara - the first Jews! At the age of three Avraham discovered there was a G-d who created the world.

Avraham and Sara were so hospitable, that they had a door open on each side of their tent, to welcome in travelers from every direction! We took a lesson from Avraham and Sara, about being hospitable and kind to everyone.

Hey Class : Rabbi Prus

This week each student gave a Jewish birth date to their baby girl and boy. We learnt about the differences between the Jewish (lunar) calendar and the regular (solar) calendar. We discussed why the Jewish calendar goes according to the cycles of the moon, and the important lessons we can learn from it.
