Alpeh Bet Communicates

Aleph Class : Morah Rechama

Welcome back to Hebrew school. We had a great day at Aleph Bet learning all about the upcoming festival of Chanukah. The Aleph class can tell you the story of Chanukah, which we have learnt through several songs. We also had fun today creating our Chanukah crafts, which we will bring home before Chanukah. Can't wait to see you all next week, when we will continue to learn about Chanukah; and finish off our beautiful arts and crafts.

Bet Class: Morah Mushka

Welcome back! After a long break we swung right back into things. This week we began our preparations for Chanukah, which is just around the corner. The holiday full of donuts and latkes! We

learnt the story, and began to paint our very own Menorah. What fun! We can't wait until next week, for more holiday fun!!

Gimmel Class: Mrs. Singer

Do I see candles burning? Do I smell latkes frying? Do I hear new blessings being sung? I have a surprise for mommy and daddy, and I think they have a surprise for me! Chanukah is coming!

This week our class began the preparations for the holiday. We learnt the story of Chanukah using a Rebus puzzle. We even made a gift for the family to share!

Along with our studying of Moshe/ Moses and the Jewish nation in Egypt, we continued to

practice our Aleph Bet letters.

Please continue to send in those wonderful mitzvah notes acknowledging what your child does for others. They are so proud to see all the leaves hanging on our classroom tree.

Daled Class: Morah Chevie

Together we learnt the story of Chanukah in a fun and exciting way. We then were very busy creating our very own wooden dreidel!

Reading has been going very well! Keep practicing, and you are guaranteed to exceed!

Hey Class: Morah Mushkie

Our class began learning about Chanukah! We started creating our very own dreidel, that we can't wait to bring home to show you. We also learnt Chanukah songs, that we are sure you'll want to hear!

Vav & Zayin Class: Morah Dassie and Morah Chaya

This week we will be concluding our Kosher unit. Thank you to all our students who brought in Kosher labels.

Chanukah is coming in 3 weeks! We began our Chanukah preparations. We practiced the blessings and songs. We are very excited to make our own menorah this year!

Ches Class: Morah Rosie

It was so nice to be back! We started our day with a beautiful davening!

We then studied about Avraham and Sara's son - Yitzchak. Yitzchak was special for him. He had tremendous inner strength. Especially how Yitzchak had went willingly, with his father, to be the sacrifice to Hashem. He had the true ability to say no, when it was needed.

We learnt about our two inner voices, that we all possess. Our good voice, and our not good voice. We have the spiritual genes to say yes to the right things in life, and no, to the things that we should not be doing.

We also learnt about the 3 unique qualities, that we all possess, as being children of our Patriarchs and Matriarchs.

Tet Class: Rabbi Prus

This week we learnt about Pidyon Haben - redeeming the firstborn. We acted out the ceremony in the classroom, and enjoyed the festive meal.

Each student had a chance to tell everyone the lesson in their life, that they can learn from Pidyon Haben.
