## Alpeh Bet Communicates

### **Aleph Class : Mrs. Singer**

The Aleph class continues preparations for the big Friday night Shabbat experience on Friday, January 22nd. We're practicing our singing and dancing. We're ready to answer any question about Shabbat! We also are baking a special dessert, for all the families to sample. We can't wait to join with the Sunday classes, so all of us can show our families, how we love Shabbat.

### **Bet Class: Morah Rechama**

After a quick review of all the different Mitzvot we have learnt about, from all of the different rooms of the Jewish home, we finished learning about the Mitzvah of Tzedakah - charity. We then had fun finishing to create our very own Tzedokah box.

We then discussed Shabbat, and learnt a Shabbat song, in honor Friday night Shabbat experience, which will be held on Friday Janu-

ary 22nd. We can not wait to perform our song for our families.

### **Gimmel Class: Morah Dassie**

This week the students learnt all about Mitzvah of Challah, in preparation for the Aleph Bet Shabbat experience. We finished the day with shaping our own Challah's, brushing the eggs on top, and putting on toppings. Hope to see you and your family, on January 22nd to taste your child's Challah.

### **Daled Class: Morah Mushkie**

We learnt about Moshe/Moses today. He was the very first leader of the Jewish people, and a role model for us all. He was especially know for his humility. We learnt about this important character trait of being humble today.

### **Hey Class : Rabbi Prus**

Now that our twins, both girl and boy have been named, we began the process of education. Just as

the first Jew, Avraham (Abraham) started his journey of serving G-d at the age of three, we start educating our children to perform Mitzvot, as soon as they

turn three years old.

We learnt all about the Mitzva of Tzitzit and every student learned how to tie their own Tzitzit.
