Alpeh Bet Communicates

Aleph Class : Morah Rechama

The Aleph class was very busy this week finishing to learn all about the story of Noach and the flood. We played a fun game to review, and then learnt about the dove finding dry land for Noach.

We then learnt about Avraham, the first of our forefathers. When Avram was just 3 years old, he discovered Hashem. He realized the sun, moon, and stars are only temporary but only Hashem is the creator of the world... even though we don't see Him. We learnt a fun song about Hashem is everywhere with lots of actions.

We also rolled up our sleeves and had fun making our own chocolate chip cookies. They smell delicious. We can't wait to taste them at the Friday night Shabbat experience. Looking forward to seeing you and your family on Friday, January 22nd.

Bet Class: Morah Mushka

This week we learnt all about Shabbat. We different Shabbat customs, sang some songs, and had an amazing Shabbat party! At the Shabbat party, we practiced the different Shabbat customs that we learnt, and enjoyed some yummy treats! We also baked a special food for the upcoming Friday night Shabbat experience. Hope you can make it!

Gimmel Class: Mrs. Singer

What a busy afternoon! We've prepared for our Aleph-bet Friday Night experience. There was crafts to do, songs to learn, and Shabbat Mitzvot to review.

We also reviewed those Aleph Bet letters, we had been practicing before our break and the lessons we had learned from the book of Shemot. Wow! We were certainly a bustling group this week.

Daled Class: Morah Chevie

What a busy day! We got a lot done in preparation for the Friday Night Dinner

"In preparation for Aleph Bet's Friday night Shabbat experience on January 22nd we have begun learning about Shabbat. This week we focused on the mitzvah of Challah. We answered the following questions; What is the origin of the mitzvah of 'Challah'? Why do we cover the Challah loaves on the Shabbat table? Why do we have two Challah loaves? We also made our own Challah's from scratch. It was fun to mix and knead the dough."

coming up on January 22nd!. Make sure you are there to taste the delicious rice crispy treats we made and hear the song we learnt, and will be performing! We did a review to refresh our memories of what we have learnt so far in our scrapbook! Then off to the living room!

Hey Class: Morah Mushkie

We had such a great time today! We were busy preparing for the Friday Night Shabbat experience, this week. Make sure your there to hear the song we have learnt and will be performing! And of course, taste the delicious cakes we baked,

We did a good review of what we've learnt so far in our Jewish Home curriculum. We then learnt all about Tzedakah (charity), the different levels and ways of giving to others, and what a special Mitzvah it is!

Vav and Zayin Class: Morah Dassie and Morah Chaya

In preparation for Aleph Bet's Friday night Shabbat experience on January 22nd we

have begun learning about Shabbat. This week we focused on the mitzvah of Challah. We answered the following questions; What is the origin of the mitzvah of 'Challah'? Why do we cover the Challah loaves on the Shabbat table? Why do we have two Challah loaves?

We also made our own Challah's from scratch. It was fun to mix and knead the dough. Our class will be baking challah for the Shabbat dinner.

Ches Class: Morah Rosie

What a nice morning we had together. After davening, we learnt about our special Torah hero - Rivkah (Rebecca).

She possessed a tremendous amount of kindness. When she was asked to share a drink to Avraham's servant Eliezer, She not only did so graciously, but offered to give his ten camels to drink as well, and we know how much work it is to quench camel's thirst.

We also learnt how she was as righteous as Sara, for when she moved into Sara's tent, all 3 miracles reappeared.

Tet Class: Rabbi Prus

This week we learnt about Pidyon Haben - redeeming the firstborn. We acted out the ceremony in the classroom and enjoyed the festive meal. Each student had a chance to tell everyone the lesson in their life they can learn from Pidyon Haben.
