Alpeh Bet Communicates

Aleph Class : Mrs. Singer

As our excitement builds for the Friday night Shabbat experience, this Friday evening, we still have to continue our studies. On we go with Moshe/Moses and the Jewish people as they prepare to leave Egypt, by having the first Passover there!

Then we added the Mem and final Mem to our letters of the Aleph Bet. Finally, we practiced once more our song, which we can't wait to sing for our parents. Looking forward to seeing you there!

Bet Class: Morah Rechama

Did you know that when we pray we create angels that fly up to heaven, and bring our prayers to G-d?

That is why we should say each word clearly, and concentrate on what we are saying. Even if we don't know Hebrew, or specific prayers; we can pray to G-d in our own words and He will hear us.

The children also took home their very own Tzedokah boxes, which are true masterpieces.

We then rolled up our sleeves, and was busy baking pineapple kugel for the Friday night Shabbat experience, this Friday. We are looking forward to Friday night, to taste our kugel, and perform our song for our families.

Gimmel Class: Morah Dassie

This week we continued our unit on Shabbat. We reviewed the Challah lesson, and introduced the mitzvah of lighting the candles. We also discussed how a flame is compared to a soul, and the procedure for lighting candles.

We then had some fun making Challah covers, which will be displayed at our Friday night Shabbat experience.

Daled Class: Morah Mushkie

We learnt about Moshe/Moses today. He was the very first leader of the Jewish people, and a role

model for us all. He was especially known for his humility. We learnt about this important character trait of being humble today.

Hey Class : Rabbi Prus

We continued to learn about education,

and how Avraham - the first Jew, recognized that there is a G-d at the age of 3. We learnt about the special mitzvah of Shabbat candles, and how important it is for every Jewish woman and girl to light Shabbat candles, starting from the age of 3.
