Aleph Bet Hebrew School's annual Purim carnival will be held **Sunday, February 28th.**

It will be a morning of fun carnival activities for Aleph Bet children and their families.

Alpeh Bet Communicates

Aleph Class : Mrs. Singer

The excitement can be felt in the class as Moses and the Jewish people experience the parting of the Sea. Now they sing a song to Hashem/G-d. We composed our version in class!

Then Hashem blessed the Jewish nation with food from the Heavens called Manna. Ask the children how we experience that today.

Everyone continues to sharpen their skills in learning the Aleph Bet. This week: Samech and Ahyeen.

We are getting ready for the holiday of Purim, by retelling the story. Ask your child about his/her favorite person in the story.

Bet Class: Morah Rechama

We been very busy going through our homes, room by room. This week we learnt all about the Bathroom - Yes the Bathroom! Do you know it is a mitzvah to take care of your body?? We also heard a story about honoring our parents, as the next room we will do is, the

parents room.

Gimmel Class: Morah Dassie

This week we learnt about the mitzvah of Havdalah, which is said after Shabbat. We learnt about the wine, spices, and braided candle. We then did an exciting Havdalah workshop where we each made our own Havdalah candle.

Daled Class: Morah Mushkie

Today was great! We are gaining so much, from learning about all these Jewish heroes!!

Ruth is the heroine, we learnt about today. She was a convert to Judaism, and the ancestor of King David!! Ruth exemplified the midah (character trait) of modesty, and it wasn't just the way she dressed! We discussed many different aspects of this midah. We played a great game, and had a good time scrapbooking!

Hey Class : Rabbi Prus

Today we learned about Tefillin. We looked at a pair of real Tefillin. We saw the Shema, written on the parchment, rolled up

inside. We discussed the importance of this mitzvah, and how every boy should put them on daily after their Bar Mitzvah.
