It will be a morning of fun carnival activities for Aleph Bet children and their families.

Alpeh Bet Communicates

Aleph Class : Mrs. Singer

This week we are everything about Purim! We went through the story of Purim with a classroom scavenger hunt. Ask your chil what lesson did we learn about Purim? Hmm...what will we put in our mishloach manot baskets? What filling do you want in your hamentashen? Who will you dress up as for the Purim carnival on Sunday, February 28th? We always have alot of fun!

Bet Class: Morah Rechama

The Bet class began to learn the exciting story of Purim. Our favorite holiday. We had a lot of fun playing different roles of the Purim story in our Purim script. Can't wait until next week when we continue to learn about Purim and make our own Hamantashen!

Gimmel Class: Morah Dassie

In the spirit of Purim, this week we literally saw how the tables were turned. The entire classroom was topsy turvy- the theme of the Purim story. In the time of the Purim story, all the Jews of the world were living under per-

secution and threatened with annihilation. Mordechai, the Jewish leader, gathered 22,000 Jewish children to pray and in a short period of time (with the help of Queen Esther) - everything was topsy turvy, the tables were turned! Haman was hung, the Jews emerged victorious from the war that was intended to kill them out, and the 14th day of Adar became a day of celebration for all Jews thereafter.

Daled Class: Morah Mushkie

This week we got started on Purim, the next Jewish holiday! Purim is a fun and exciting holiday. We had such a great time learning about the story behind it, the customs of the day. and getting into the Purim spirit!

We also started preparing for the Purim carnival, that our grade will be helping out with!

Hey Class : Rabbi Prus

Purim is coming! Everyone loves Purim. This week we learnt all about Purim, the Mitzvot, the story and the lessons we learn to apply to our lives - to make Purim something present not just a story which happened 2,500 years ago.
