Save the date

Aleph Bet Model Seder will be held THIS WEDNESDAY, March 24th. Parents and family are welcome "The seder you won't want to miss"

Alpeh Bet Communicates

Aleph Class : Mrs. Singer

As the holiday approaches we're preparing in class, as our families are preparing in our homes. We're finishing our Haggadah to share at the Seder table. We made a beautiful Cup for Elijah, for our whole family to see. We learnt two songs to share with everyone at our model Seder, and at home. Keep on practicing those four questions! Everyone really knows them better, and better with practice.

Bet Class: Morah Rechama

This week we began to fill in our very own Haggadah - which is the book that tells us the story of Pesach and what to do at the

Seder. We had a lot of fun marveling at each others pictures, for our Haggadah.

We can't wait for the model seder next week where we will see a how a real Seder is done!

Don't forget to practice the Ma-Nishtanah - for 25 Torah dollars!

Gimmel Class: Morah Dassie

Passover is around the corner, and we are getting ready for the Seder. Last week we made the foods for the Seder plate, and now we are ready to go through the order of the Seder. We all sat around our "Seder table" and went through the customs and traditions, explaining each step of the way. Hope to see you all next week.

Daled Class: Morah Mushkie

Today we made Haggadah's! They will be very useful for the model Seder coming up next week and for our Passover Seders! We also went through the 15 parts of the Seder, in the proper order, and we each got a chance to act out one part.

Hey Class : Rabbi Prus

Today we finished making our 'Haggadah for dummies'. Your child can use their Haggadah to lead all the 15 steps of the Seder.

Hope to see you next week, at the model Seder.
