## Alpeh Bet Communicates

### **Aleph Class : Morah Rechama**

The children are Pesach experts. Ask your child all about the story of the Jews in Egypt starting with the birth of Moshe until the exodus of Egypt with the splitting of the sea.

We had all had fun designing our own Afikoman bag, which we can’t wait to find at the Seder.

The Aleph class have finished taking photo’s for their Haggadah, which they can’t wait to share with you next week. Hope to see you all next week as we bake our own Matzos from scratch, and participate in the Hebrew School model Seder.

### **Bet & Gimmel Class: Mrs. Singer & Morah Estie**

As the holiday approaches we’re preparing in class, as our families

are preparing in our homes. We’re finishing our Haggadah to share at the Seder table. We made a beautiful Cup for Elijah, for our whole family to see. We learnt two songs to share with everyone at our model Seder, and at home. Keep on practicing those four questions! Everyone really knows them better, and better with practice.

### **Daled Class: Morah Chevie**

We are just about ready for Passover to arrive! Everyone is working hard at making their Haggadah, and you can tell! The Haggadah looks beautiful! All set with our colorful Seder plates, and Haggadah for Seder night! See you at the model Seder next week!

### Hey Class: Morah Mushkie

Our Haggadah's are looking great!! We practiced the Mah Nishtanah (the 4 questions) so that we will know it in time for Pesach, and we'll be able to sing it at the Seder!

"Maggid, is the time where we have a mitzvah to speak about the story of the Jewish people in Egypt, and all the miracles that Hashem preformed for them. We the finished our Haggadah, and had fun doing our Pesach craft. We then got our parts for the Seder, which we will be leading next week!"

### Vav and Zayin Class: Morah Dassie and Morah Chaya

Passover is around the corner, and we are getting ready for the Seder. Last week we made the foods for the Seder plate, and now we are ready to go through the order of the Seder. We all sat around our "Seder table"

and went through the customs and traditions, explaining each step of the way. Hope to see you all next week.

### Ches Class: Morah Rosie

What a wonderful time together! We went through the largest part of the Seder- the step called Maggid. Maggid, is the time where we have a mitzvah to speak about the story of the Jewish people in Egypt, and all the miracles that Hashem preformed for them. We the finished our Haggadah, and had fun doing our Pesach craft. We then got our parts for the Seder, which we will be leading next week! Looking forward to seeing you there!

### Tet Class: Rabbi Prus

Today we finished making our 'Haggadah for dummies'. Your child can use their Haggadah to lead all the 15 steps of the Seder. Each student got a part to lead at the model Seder.

We also finished our glass Seder plates. Hope to see you next week, at the model Seder.
