Aleph Bet Communicates

Aleph Class : Morah Rechama

The Aleph class have been traveling through the desert, to receive the Torah on Mt Sinai.

This week we created our own Se-firat Ha'omer charts - to keep track of the 49 days that we count, from when the Jews left Egypt, until they received the Torah. Together we have created our own Mt Sinai on our bulletin board; on which we are counting the 49 days the Jews traveled in the desert.

The children also reviewed their Aleph Bet, and especially loved writing letters in sugar. Yum! See you next week for another fun day in Hebrew school!

Bet Class: Mrs. Singer

We continue in our book of

Shemot, with the movements of the new Jewish nation. Traveling through the desert can be very frightening! The Egyptians, who want us to return as slaves, are catching up to us and the sea is in front of us! What do we do?

We really know our Aleph Bet now! Remember to practice your cards, and review the chart.

Gimmel Class: Morah Estie

This week we began learning about the process through which the Jews received the 10 commandments. We discussed the 10 commandments and went through practical applications to our lives. We had a great day, see you all next week!

Daled Class: Morah Chevie

Hey Class: Morah Mushkie

Our class had such a good time today! We learnt about prayer.

Praying to G-d is so special. Just like in every relationship communication is the foundation. Prayer enables us to communicate to G-d, and build a relationship!

We also did the bathroom in our scrapbooks. We learnt all about cleanliness and taking care of ourselves, a really big Mitzvah!

Vav and Zayin Class: Morah Dassie and

Morah Chaya

This week we did the letter vav -which is the mitzvah of Torah study. We learnt what the Torah is, and the importance of the Torah. We discussed how the Torah is the oldest history book, and for the past 3,000 years the Jewish existence is dependent on Torah. We sang Torah songs, we saw what a torah looks like and ended off with our own edible Torahs.

Ches Class: Morah Rosie

Today we learnt about a very special woman named Ruth. She was a princess of Moav, and converted to become a Jewish woman. Despite the fact that she would be very poor and homeless, with her mother in law Naomi. She possessed beautiful character traits and so, Hashem rewarded her by becoming the Great grand mother of King David, whom Moshiach will come from!

Tet Class: Rabbi Prus

Today we continued to learn about a Jewish Marriage. We discussed the purpose of marriage and the beauty of many Jewish customs preformed at a Jewish wedding.
