Aleph Bet Communicates

Aleph Class : Morah Rechama

The Aleph class was very busy this week learning about Shavuot. We learnt about little Mount Sinai, who was chosen by G-d for the Ten commandments. Hashem decorated the mountain with grass and flowers and so we have flowers in our house to remember this. Therefore we made our own beautiful vase, with our very own flowers, to decorate our Shavuot table.

Bet Class: Mrs. Singer

Preparations are underway, as we get ready for the holiday of Shavuot, and the receiving of the 10 commandments. Our own study of the book of Shemot, also discusses the 10 commandments, as well as

the very special one about honoring our parents. We also went on to discuss one of the other mitzvot: keeping kosher!

We're getting ready for graduation and, of course, we had a wonderful time eating a special treat in honor of receiving the Torah.

Gimmel Class: Morah Estie

This week we learnt about the commandment of honoring our parents. We also discovered the special commandment that we were given, to keep a special Kosher diet.

We also learnt about the purpose and function of a synagogue and even saw pictures of synagogues from around the world!

Daled Class & Hey Class: Morah Chevie & Morah Mushkie

On Tuesday night it will be Shavuot! This is a very special holiday, when we celebrate the giving of the Torah on Mount Sinai. We

"We learnt all about the giving of the Torah, and why Mount Sinai was chosen over all the other mountains. The Torah was given on Mount Sinai - a small, unimpressive mountain, and from this we learn the importance of humility. The Torah was given on a mountain and not in a valley, and from this we learn that a healthy self esteem is very important too! We made edible Mount Sinai out of cupcakes, with chocolate on top for the Luchot - the tablet with the 10 commandments! We can't wait to celebrate Shavuot with ice cream, cheesecake and hearing the 10 commandments!"

Vav and Zayin Class: Morah Dassie and Morah Chaya

This week we learnt about the holiday of Shavuot, the day when the Jews received the Torah. We reviewed the Ten Commandments, which were written on the two tablets. We then re-enacted the giving of the Torah.

Ches Class: Morah Rosie

Today was a very special time together. We davened, and learnt about the upcoming holiday of Shavuot. It's the very day, Hashem gave the Jewish people the Torah on Mount Sinai.

We learnt what the 10 commandments are, and played an interactive game to try to remember all of them. We also learnt different Jewish customs that we do on Shavuot.

Like eating dairy yum!! Looking forward out last Sunday together!

Tet Class: Rabbi Prus

This week we had a special taste of Jew Crew. We heard the story of a Jewish boy from Bucks County who studied to become a Rabbi and is an excellent rapper. Looking forward to seeing family and parents at 11:00am, for our class graduation.
